1. About hiQview

1.1 Milestone

hiQview Corporation was established on May 25th, 2009 in Taipei, Taiwan

- Wireless 1.3-Megapixel CMOS Camera, HIQ-4550

August,
2009

- Central Management Software (CMS) manage 16 NVRs, 256 Channel Cameras

January,
2010

- 8/16 Channel NVRs, HIQ-3008/HIQ-3016

- 2-Megapixel Outdoor IR-40M Weather Proof Bullet IP Camera, HIQ-6281

January,
2011

May 25th,
2009

- "hiQview Corporation" was established in Taipei, Taiwan

October,
2009

- D1 CCD H.264 Pan / Tilt Zoom Camera, HIQ-7330
- 1 Channel H.264 Video Server, HIQ-1100

April,
2010

- 4 Channel NVR, HIQ-3004

July,
2010

October,
2010

- 2-Megapixel Outdoor Bullet IP Camera, HIQ-6283
- 2-Megapixel Outdoor Vandal Proof Dome IP Camera, HIQ-5284

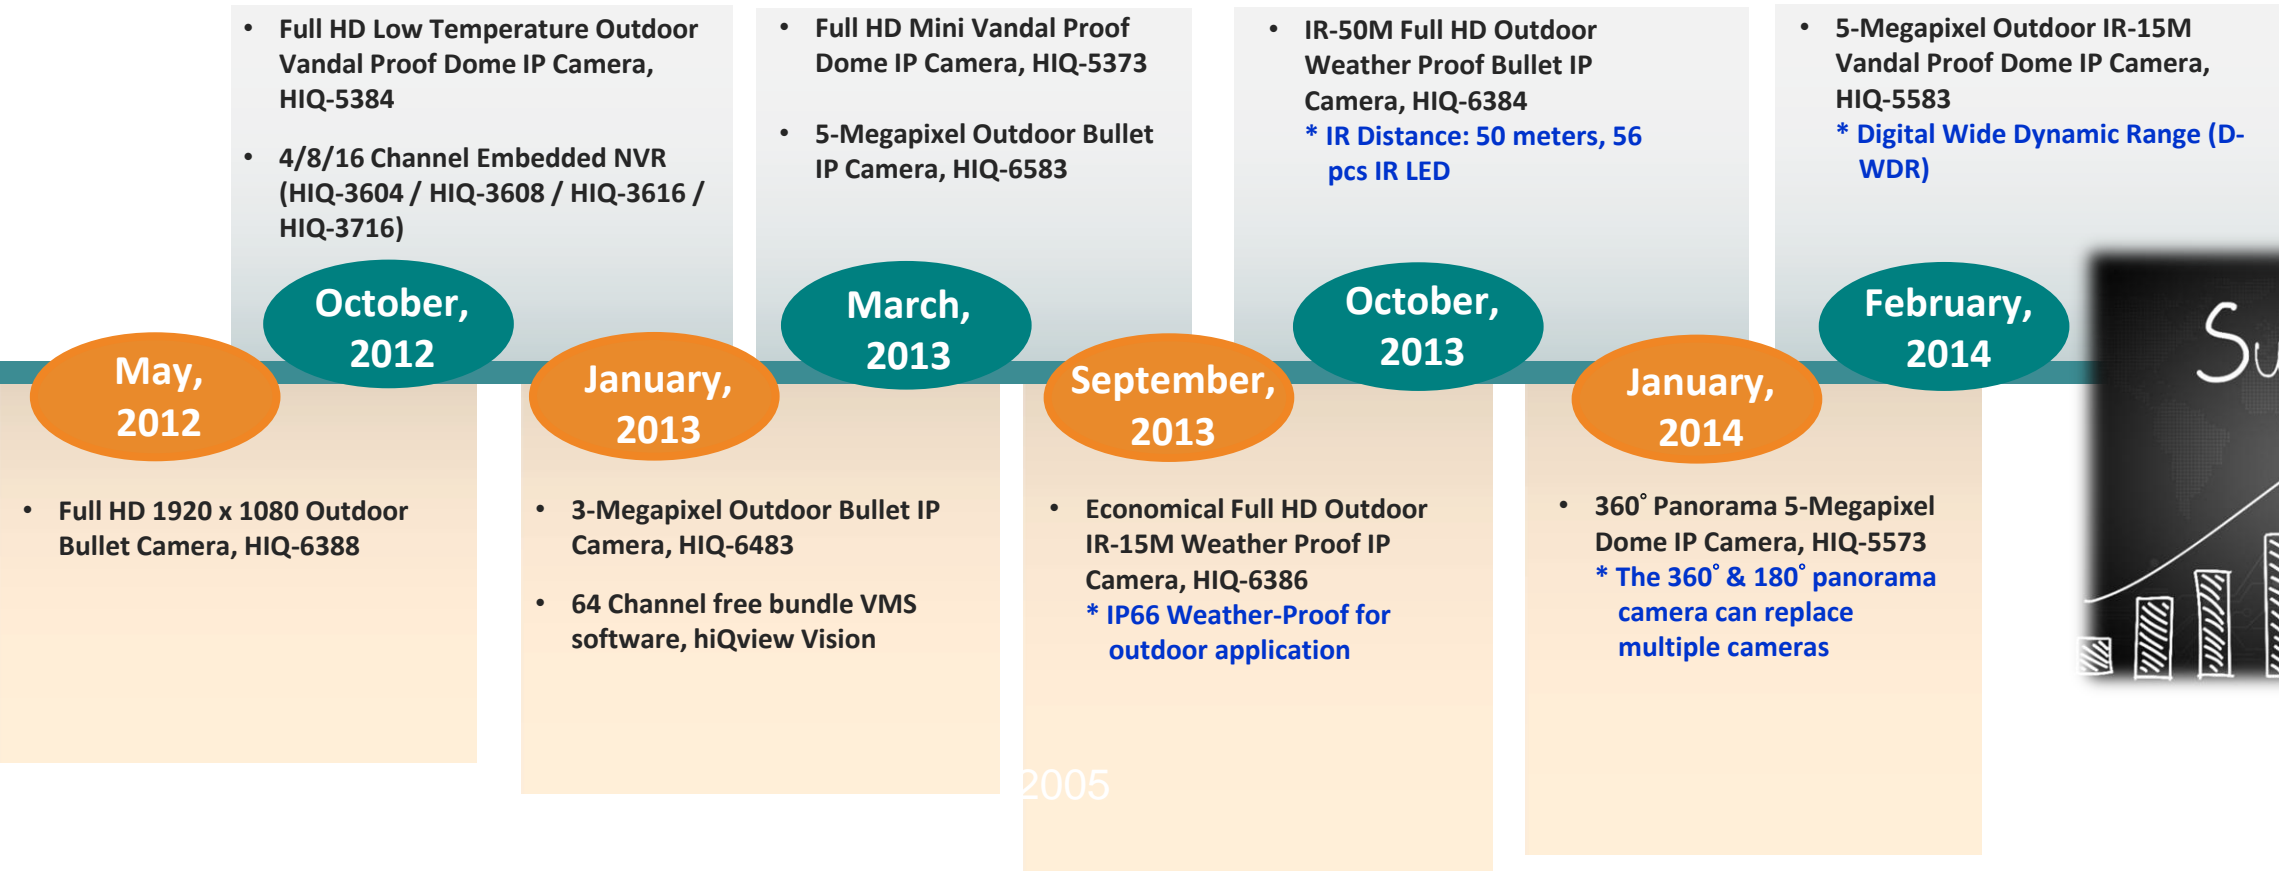

March,
2011

- 2-Megapixel H.264 360° Panorama Dome Camera, HIQ-5286

- Speed Dome 18X Optical Zoom Outdoor Full HD IP Camera, HIQ-7390
 - * 18X Optical Zoom
 - * 360° Continuous Pan and 180° Tilt
 - * 4.7 ~ 84.6mm @ F1.6 ~ F2.8 Vari-Focal lens

May,
2015

April,
2015

- Low Temperature Full HD Outdoor IR-15M Vandal Proof Dome IP Camera, HIQ-5390
 - * Operating temperature $-30^{\circ}\text{C} \sim 50^{\circ}\text{C}$ ($-22^{\circ}\text{F} \sim 122^{\circ}\text{F}$) with heater
 - * Digital Wide Dynamic Range (D-WDR)
 - * 3D and 2D Digital Noise Reduction (DNR)

June,
2015

- Local Display 16 Channel Network Video Recorder, HIQ-3216
 - * Dual monitors support in VGA/HDMI
 - * Local display output: MJPEG, H.264
 - * Recording and Local display frame rate: 480fps@ 1080p, 3Mbps/CH, total 16CH

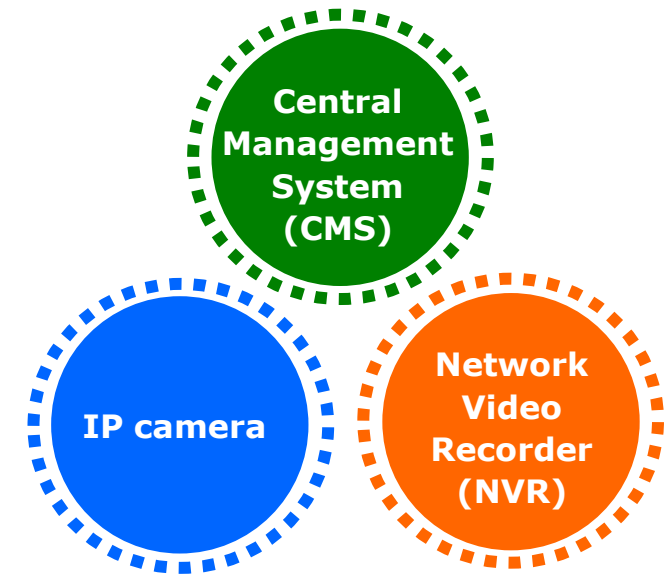

1. About hiQview

1.2 Overview

hiQview Corporation is an IP surveillance company.

Our company stands out in the IP surveillance field with state-of-the-art R&D technology, innovative production design, excellent implementation ability, and long-term experience in global brand marketing. hiQview Corporation is progressively expanding our marketing system around the world.

1. About hiQview

1.3 Mission statement

To safeguard our loved ones and valued properties, hiQview is dedicated to offering the latest IP surveillance solutions at a reasonable price.

1. About hiQview

1.4 Company Philosophy

Thinking Globally, Touching Locally

hiQview continues to connect with global markets through different channels, to understand local needs, and to customize our products and services accordingly.

Integrity

Integrity is the cornerstone of our company. At hiQview, we take it seriously and make steadfast commitment to our customers and ourselves. We are keen to preserve our ethical as well as product integrity.

Innovation

Our continual commitment to R&D and the satisfaction of our customers are key factors to the success of hiQview.

2. Introduction to Founder & President of hiQview, Frank Sheu

Frank Sheu has worked in 3C Industry (Computer, Communication and Consumer Electronic) for over 30 years.

Background:

- President of Networking Business Unit, in ASUSTek Computer Inc.
- Director of Product Marketing Department for the global market, in D-Link Corporation
- Director of Brand Business Department for the global market, in KYE System Corporation (“Genius” brand)

Education:

- Master Degree of Computer Science, Florida Institute of Technology, in USA
- Master Degree of Electrical Engineering, Florida Institute of Technology, in USA

3. Product Overview

In our current product lines, our company has 36 IP cameras, 6 NVRs, Video Management System, and Central Management System.

The followings are our representative and suggested products for your company.

For more information about our products, please visit our company website: www.hiqview.com

3.1 IP cameras

The variety of IP Cameras

- **Resolutions:** 5-Megapixel ~ 2-Megapixel, Full HD, HD
- **Various types:** Speed Dome, Bullet, Dome, Box, Cube, PT (Pan and Tilt), PTZ (Pan, Tilt, and Zoom), 360°Panorama
- **Robust camera protection:** vandal Proof, weather-proof (IP66 and IP67)
- **Wiring and power alternatives:** wired / wireless / PoE

3. Product Overview

3.1 IP cameras

Unique IP camera functions

- **Motorized Optical Zoom:** Smart Focus System
- **High Frames Per Second:** 60fps
- **Scene Analytics:** Face & Tampering Detection, and Digital Image Stabilization(DIS)
- **Low light performance:** Min. Scene Illumination Color : 0.01 Lux (AGC ON),
Black / White: 0.005 Lux (AGC ON)
- **WDR (Wide Dynamic Range):**
Clear images even under both very bright and very dark areas simultaneously in the field of view of the camera.
- **DNR (Digital Noise Reduction):**
Remove noises and produce clear images.
- **Sustain to low temperature -40°C (- 40°F)**
- **Free bundled 64-channel recording software “hiQview Vision”**

HIQ-7390: Speed Dome 18X Optical Zoom Outdoor Full HD IP Camera

- * 1/2.8" 2M Type Exmor CMOS Sensor
- * 18X Optical Zoom
- * 360° Continuous Pan and 180° Tilt
- * Full HD 30 fps @ 1080p real-time
- * Digital Wide Dynamic Range (D-WDR)
- * Digital Noise Reduction (DNR)
- * -20°C ~ 60°C Temperature Range for Weather Conditions
- * 4.7 ~ 84.6mm @ F1.6 ~ F2.8 Vari-Focal lens
- * Mechanism IR Cut filter for day / night function
- * IP66 Weather-Proof for outdoor application
- * Support Vandal Proof
- * Power over Ethernet

Motorized 10X Optical Zoom Full HD Outdoor IR-30M Weather Proof Bullet IP Camera

HIQ-6391

HIQ-6391: Motorized 10X Optical Zoom Full HD Outdoor IR-30M Weather Proof Bullet IP Camera

- * Support Motorized 10X Optical Zoom and 4X Digital Zoom
- * Support Smart focus / Auto focus / Step focus
- * Max. resolution: 1920 x 1080 (2-Megapixel)
- * 4.9~ 49mm, 10X Optical Zoom Lens @F1.8~3.0
- * Up to 30 fps @ 1920 x 1080 (2-Megapixel)
- * Mechanism IR Cut filter for day / night function
- * Wide Dynamic Range (WDR)
- * 3D Digital Noise Reduction (DNR)
- * Auto Iris, Low lux mode and Exposure Control
- * IP66 Weather-Proof for outdoor application
- * Power over Ethernet

3. Product Overview

3.1 IP cameras

HIQ-5387: 60fps 1080p Outdoor IR-20M Vandal Proof Dome IP Camera

- * 1/2.8" Sony Exmor for CMOS Sensor
- * High Frame Rate of 60 FPS (Frames Per Second)
- * Min. Scene Illumination Color: 0.01 Lux (AGC ON)
B/W: 0.005 Lux (AGC ON)
- * Scene Analytics: Face Detection, Tampering Detection,
and Digital Image Stabilization(DIS)
- * H.264 (High/ Main/ Baseline Profile)/ M-JPEG Video Codec
- * Digital Wide Dynamic Range (D-WDR)
- * 3D and 2D Digital Noise Reduction (DNR)
- * 3~9mm F1.8 vari-focal lens
- * IR Distance: 20M, 18 pcs IR LED
- * IP66 Weather-Proof for outdoor
- * Support IK10 Vandal-Proof
- * Power over Ethernet

HIQ-5389: Motorized 4.2X Optical Zoom Full HD Outdoor Vandal Proof Dome IP Camera

* Motorized 4.2X Optical Zoom

- * Max resolution: 1920 X 1080 (2-Megapixel)
- * Full HD 30 fps @ 1080p real-time
- * Sense Up Adjustable
- * Day & Night Switch Time Control Manfully
- * Digital Wide Dynamic Range (D-WDR)
- * 3D and 2D Digital Noise Reduction (DNR)

- * Min. Scene Illumination Color: 0.05 Lux (AGC ON)
B/W: 0.01 Lux (AGC ON)
- * 2.8-12 mm F1.4 Vari-Focal lens
- * Mechanism IR Cut filter for day / night function
- * IP66 Weather-Proof for outdoor
- * Power over Ethernet

HIQ-5382: Motorized Mini Pan / Tilt IR-10M Full HD Dome IP Camera

- * Max. resolution: 1920 X 1080
- * Full HD 30 fps @ 1080p real-time
- * Palm-sized and stylish design
- * Remote Pan: 200°(-100°~100°), Tilt: 70°(20°~ 90°)
- * Remote Max. Pan speed: 66°/sec, Max. Tilt speed: 70°/sec
- * 4.0mm F2.0 fixed lens
- * **IR distance: 10 meters, built in 19 pcs IR LEDs**
- * Mechanism IR cut filter and auto light sensor for day and night monitoring
- * **Auto tracking for moving objects**
- * Digital Wide Dynamic Range (D-WDR)
- * Power over Ethernet

**Motorized Mini Pan/Tilt /3X Optical Zoom
Full HD Outdoor PTZ IP Camera**

HIQ-7386

HIQ-7386: Motorized Mini Pan/Tilt /3X Optical Zoom Full HD Outdoor PTZ IP Camera

- * 1/2.8 Sony CMOS sensor IMX222 2 Megapixel CMOS sensor
- * Max. resolution: 1920X1080
- * Full HD 30 fps @ 1080p real-time
- * H.264 / JPEG / MPEG-4 multi-streaming
- * **Remote Pan: Rang 250°, Tilt: Range 75°**
- * **Support auto tracking function & multi - direction movement**
- * **3X optical zoom lens, auto iris, auto focus**
- * 3mm ~ 9mm F1.8 lens
- * IR Distance: 15~20 M
- * IP66 Weather-Proof for outdoor
- * Support Vandal Proof
- * Power over Ethernet

HIQ-5390: Low Temperature Full HD Outdoor IR-15M Vandal Proof Dome IP Camera

- * **Operating temperature -30°C ~ 50°C (- 22°F ~ 122°F) with heater**
- * Max resolution: 1920 X 1080 (2-Megapixel)
- * Full HD 30 fps @ 1080p real-time
- * Digital Wide Dynamic Range (D-WDR)
- * 3D and 2D Digital Noise Reduction (DNR)
- * Min. Scene Illumination Color: 0.05 Lux (AGC ON)
B/W: 0.01 Lux (AGC ON)
- * IR Distance: 15M, 18 pcs IR LED
- * 3~9mm F1.8 Vari-Focal lens
- * Mechanism IR Cut filter for day & night
- * **IP66 Weather-Proof for outdoor**
- * **Support IK10 Vandal Proof**
- * Power over Ethernet

3. Product Overview

3.1 IP cameras

For more product comparison information, please visit <http://www.hiqview.com/pro/index.php?cid=119>

The advantages of PTZ IP cameras:

- **Monitor large areas**

Comparing with fixed cameras, PTZ IP cameras can be panned and tilted to cover bigger areas.

- **Cost down**

The coverage of one PTZ camera equals to that of several non-PTZ cameras, thus the cost is reduced.

- **Capture your interested area**

Set up the tours (patterns) for PTZ IP camera in advance, and PTZ IP camera will follow the tours to move. For example, according to your setting, every minute, the PTZ IP camera can capture images from the front door, the gate, to the parking lot.

- **Movie-like PT demos**

People love the way they can control PTZ IP cameras like filming a movie, which is exiting.

3. Product Overview

3.2 hiQview NVR (Network Video Recorder)

Unique NVR functions

- **Manage up to 4 / 8 / 16 / 32 Network Cameras**
- **Support resolutions: 5MP / 3MP / 2MP / Full HD / Megapixel / D1 / CIF / QCIF**
- **Recording throughput: 80Mbps / 200Mbps**
- **Dual monitors and local display supports in VGA/HDMI**
- **High quality live / playback video**
- **4 channel / 16 channel synchronous playback**
- **Export playback videos to AVI**
- **E-map and Google Map event alert**
- **Mobile devices remote monitoring**
- **Bundled with Free 256CH CMS Software**

HIQ-3232 Rackmountable 32 Channel Network Video Recorder with Local Display

HIQ-3232: Rackmountable 32 Channel Network Video Recorder with Local Display

- * **Rackmountable Housing Design**

- * Manage up to 32 Network Cameras

- * **Local display support in VGA**

- * **Support resolution: Up to 5Mp**

- * **Video display frame rate: 32CH, 320fps@1.3Mp, 3Mbps, H.264 (intel i7)**

- * **Recording performance: 32CH, 960fps@1080p, 960fps@1.3Mp, H.264, bitrate per channel: 4Mbps, Max. throughput: 200Mbps**

- * 32CH live view & 16CH playback

- * **Support max. storage 24TB**
(SATA 4TB x 4 + e-SATA 8TB)

- * Support multi-stream with Dynamic display

- * Bundled with FREE CMS

**Local Display 16 Channel
Network Video Recorder**

HIQ-3216

HIQ-3216: Local Display 16 Channel Network Video Recorder

- * **Dual monitors support in VGA/HDMI**
- * **Local display output: MJPEG, H.264**
- ** (1) Support 5Mp
- ** (2) 120fps@1080p
- ** (3) 270fps@720p
- ** (4) 480fps@D1
- * **Recording and & Local display frame rate: 480fps@ 1080p, 3Mbps/CH, total 16CH**
- * **Support resolution: 5MP/3MP/1080P/720P/FD1/CIF/QCIF**
- * Manage up to 16 Full HD IP Cameras
- * 16CH live view & 4CH playback
- * **Support max. storage 8TB (4TB X 2)**
- * Bundled with FREE CMS

HIQ-3716 16 Channel Network Video Recorder

HIQ-3716: 16 Channel Network Video Recorder

- * **Recording Throughput: 80Mbps**
- * **Support resolution: 5MP/3MP/2MP/Full HD/MegaPixel**
- * **Support max. storage 16TB:**
 - SATA max. storage 8TB (4TB X 2) & e-SATA max. storage 8TB**
- * **Support RAID 0/1 to secure your image data storage**
- * Pure web-based administration
- * 240 fps @ 2MP (H.264) or 480 fps @ 1.3MP (H.264)
- * High quality Live/Playback video
- * 4 channels synchronous playback
- * Export Playback videos to AVI
- * E-map and Google Map event alert
- * Mobile devices remote monitoring
- * Bundled with FREE CMS

HIQ-3616 16 Channel Network Video Recorder

HIQ-3616: 16 Channel Network Video Recorder

- * **Recording Throughput: 80Mbps**
- * **Support resolution: 5MP/3MP/2MP/Full HD/MegaPixel**
- * Pure web-based administration
- * 240 fps @ 2MP (H.264) or 480 fps @ 1.3MP (H.264)
- * Support max. storage 8TB (4TB X 2)
- * High quality Live/Playback video
- * 4 channels synchronous playback
- * Export Playback videos to AVI
- * E-map and Google Map event alert
- * Mobile devices remote monitoring
- * Bundled with FREE CMS

3. Product Overview

3.3 Management Softwares

(1) hiQview Vision (Video Management System)

It is a powerful and intelligent "Video Management System" to control up to 64 IP cameras.

hiQview
A Bright View to Security

The screenshot displays the hiQview Vision VMS interface. It features a 2x2 grid of camera feeds: top-left shows a car body on an assembly line; top-right shows a warehouse with a forklift; bottom-left shows two workers in a factory; bottom-right shows another view of a warehouse. To the right is a control panel with a status box (Free User, CPU: 9%, HDD: 0.0 G/h, Date: 2014/02/11, Time: 18:50:20), display mode settings (1, 4, 6, 9, 13, 16 Video), and a sequence channel selector. At the bottom, there are two log tables, navigation icons, and a taskbar.

Event Log			System Log		
Channel	Event Time	Device Name	Channel	Event Time	Device Name
5	2014/02/1118:43:55	CH # 5	3	2014/02/1018:43:58	CH # 3

3. Product Overview

3.3 Management Softwares

(1) hiQview Vision (Video Management System)

hiQview vision is an intelligent and powerful management system:

Unique hiQview Vision functions

- Manage numerous IP cameras at a time
- Powerful auto search
- High resolution
- Support multiple monitors
- Precise motion detection
- E-Map monitoring
- Surveillance work goes on anywhere, anytime
- Live video & Playback
- Mobile surveillance

3. Product Overview

3.3 Management Softwares

(2) hiQview CMS (Central Management System)

One hiQview CMS controls 16 NVRs to manage 256 IP cameras.

The screenshot displays the hiQview CMS interface with the following components:

- Video Feeds:** Four main camera views: a monorail train, an airplane on a tarmac, a parking lot with cars, and an airport terminal with departure boards.
- System Information Panel:**

STATUS	SEQ	SYSTEM
MENU	TREE	PATTERN
CMS_Basic		
NVR- 1 192.168.0.6		
NVR- 2 192.168.0.10		
NVR- 3 nvr16		
- Event Info Table:**

No	Time	Info
1	2014/02/12 17:21:50	Open Live Monitor
1	2014/02/11 17:21:10	Open Live Monitor
1	2014/02/10 17:11:50	Open Live Monitor
1	2014/02/10 10:20 50	Open Live Monitor
- System Info:** System Time: 2014/02/12 18:41:13, Group Level: ANONYMOUS, CPU: 5%.
- Control Panels:** PTZ and PRESET control buttons, and a grid of camera layout icons.

3. Product Overview

3.3 Management Softwares

(2) hiQview CMS (Central Management System)

hiQview CMS is designed specifically for hiQview NVRs. Advanced intelligent video analysis provided by hiQview CMS helps the user to react immediately to specific events.

Unique CMS functions

- **Central Management System controls 16 NVRs**
- **Support maximum 256 channels**
- **Intelligent video analysis**
 - ✓ **Smart Motion Detection**
 - ✓ **Tripwire**
 - ✓ **Object Loss Detection**
 - ✓ **Camera Tampering Detection**
 - ✓ **Image Enhancement**
- **Support AVI export**
- **Multi-screen management**
- **E-Map monitor for live videos display on map**
- **PTZ functions**
 - ✓ **Mouse-over-Video PTZ**
 - ✓ **Virtual PTZ Panel**
 - ✓ **Digital PTZ**

4. Our Strengths

4.1 Powerful and unique product lines

The complete hiQview product line includes 36 IP cameras, 6 NVRs.

You may see the detailed information in the following pages.

4.2 Professional after-sales service

After-sales service including professional technical support and project consulting are provided to help you to win projects.

4.3 Excellent quality

hiQview products are designed and made in Taiwan, a country well-known for its prosperous IT/Communications/Electronic industries. Every product goes through stringent tests in our factory to ensure the quality.

4. Our Strengths

4.4 Affordable price and high C/P (Cost/Performance) ratio

hiQview dedicates in R&D and manufacturing deeply to create unique product features such as 360° Panorama, 60FPS, Pan/Tilt/ Zoom, WDR, DNR, light sensitivity, low temperature endurance, weather proof IP66 & IP67, and vandal proof, etc. Together with the affordable price, hiQview products are guaranteed to be high C/P ratio.

4.5 Our sincerity and professional ability for cooperation

IP surveillance industry keeps booming and has great potentials to develop businesses. hiQview has run the business of IP surveillance for near 6 years. Based on our professional R&D, manufacturing and marketing, we strongly believe that we can support your company to achieve great success in the near future.

5. Business

5.1 Business Model

hiQview's business strategy is based on loyalty and long-term cooperation. We cooperate with our global partners by using indirect sales models. hiQview works in partnership with distributors and system integrators, and we ensure our partners a steady and credible business growth.

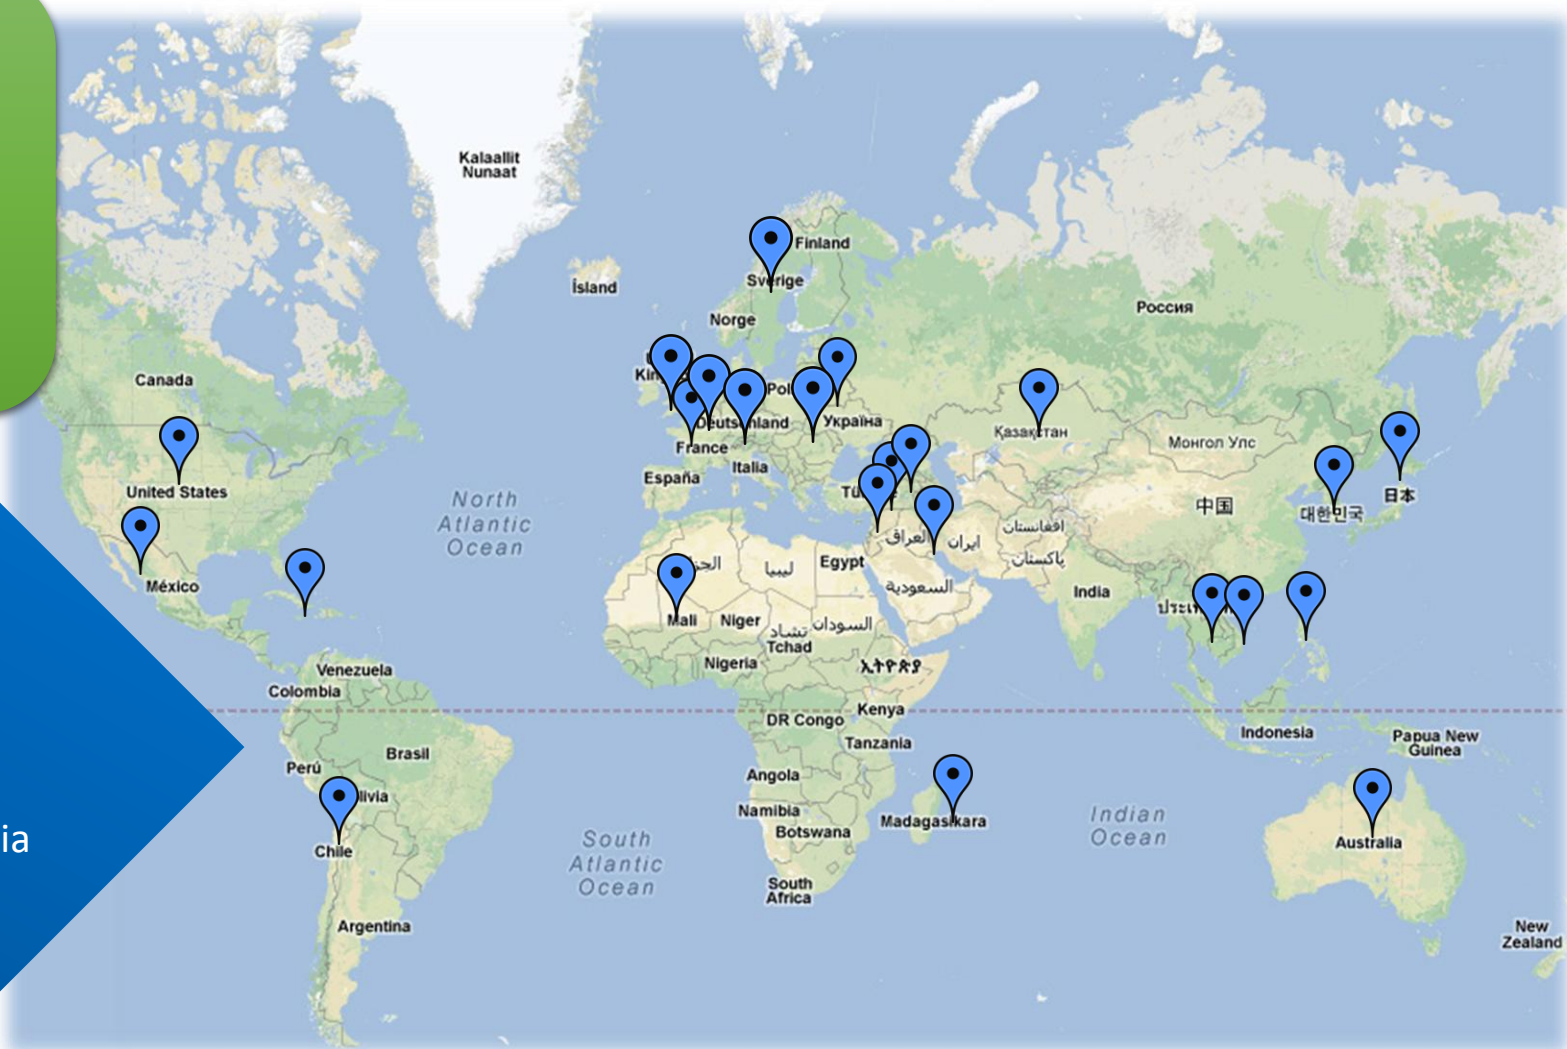

5. Business

5.2 Territory

Through close cooperation with hiQview, our customers have created many new businesses through our high quality products and services.

Our business territory includes the following countries:

- (1) **Asia:** Thailand, Vietnam, Philippines, Japan, Korea, Kazakhstan
- (2) **Oceania:** Australia
- (3) **Middle East:** Syria, Lebanon, Kuwait
- (4) **Europe:** Sweden, Denmark, Czech, Germany, Switzerland, France, The Netherlands, Armenia
- (5) **America:** Jamaica, USA, Chile, Mexico
- (6) **Africa:** Mauritius, Mali

Full HD outdoor bullet IP camera with 50 metre IR
Taipei, Taiwan
Hiqview has again launched a new outdoor bullet IP camera, the HIQ-6384, which is equipped with a 1/2.7" 2 megapixel full HD CMOS sensor and designed with a 56-pc IR LED set for a maximum radiation distance of 50 metres.
The images captured by the HIQ-6384 are compressed into two formats: H.264/ MJPEG for multiple resolution options in 1920x1080(full HD), 1280x720 (HD), 640x480(VGA), 320x240(QVGA), and 176x144(QCIF) modes. The user is able to choose a suitable streaming format based on the different bandwidth resources available. Plus in addition, the HIQ-6384 is also capable of outputting excellent images in real time in 1080p at 30fps.
The design of the aluminum housing is compliant to IP66 standards against water and dust ingress in difficult environments. The built-in vari-focal lens (7 ~ 22mm @ F1.4) and 56x IR-LEDs not only help with easy installation, but also allow for clear images during both day and night modes via the auto IR-cut filter mechanism and IR illumination of up to 50 metres in distance.
The network configuration of the camera has been designed to be easy and hassle-free. The HIQ-6384 IP camera can be located, if connected to the internet, with the aid of the installation tool provided. An analogue video output is included, making it possible to connect the IP camera directly to an analogue monitor at the local site. The HIQ-6384 is also designed to support 802.3af Power over Ethernet (PoE) for ease of installation as no additional power lines are needed in this case. Consequently, the result is a total power line cost reduction in medium to large sized system deployments.
384 is made ideally for open environment installations outdoors

8. Why hiQview

We are committed to supporting our customers to become winners in the market:

Small trial orders

If you are our new customers, our company supports small trial orders. We suggest that you try different samples of our IP cameras with NVRs.

Complete IP surveillance solutions

Our IP cameras, NVRs, and CMS form complete IP surveillance solutions. Our products are based on the study of user experience, so you will find it easy to use.

Highest Quality Products

Based on our reliable design and strict quality control system, our products can be applied to very complicated and harsh environments.

8. Why hiQview

Full Technical Support

hiQview has wide experience in Networking, IP Cameras, NVRs, CMS, Optics, and mechanism, so we offer environmental analysis and professional technical support to our customers.

Professional Marketing Materials

hiQview provides a promotional kit to help our customers to sell our products easily.

Steady and Credible Business Growth

Besides providing excellent products and services, we always try our best to reduce channel conflict for local customers in the same market to protect their benefits.

Thank you!
